presents

AUTUMN WINTER 23/24

from **VENUS** to **VIENNA**

MODUS VIVENDI VIENNA - FASHION MADE IN VIENNA

Since 1988, **MODUS VIVENDI**'s family-size team produces the unique pieces and small series in the atelier behind their shop in Vienna. **MODUS VIVENDI** is renowned for its luxury handmade knitwear and its special trademark process. Using premium Italian or Austrian fabrics and yarns, Womenswear & Menswear place, for 30 years, quality, sustainability and outstanding design at the centre of the collections. **MODUS VIVENDI**'s fashion let your inner self take control, it is your second skin, your other HOME.

In this season **MODUS VIVENDI** travels through the boundless infinity of space, lands in Vienna and notices, that the clocks follow a different beat there: sometimes fast, sometimes slow and sometimes; it stops altogether. This city gives the word "timeless" a completely new meaning and invites its spectators to look around without a rush.

„**From VENUS to VIENNA**“ looks from the outside, orientates itself, looks back and then ahead. The designs of **MODUS VIVENDI** - AW 23/24 Collection is reminiscent of a time where mankind first walked on the moon. Yet, at the same time pushes the future to the forefront, through a regional and sustainable production style. „**From VENUS to VIENNA**“ is retro-futuristic, one might say.
