MODUS VIVENDI VIENNA - FASHION MADE IN VIENNA

Since 1988, **MODUS VIVENDI**'s family-size team produces the unique pieces and small series in the atelier behind their shop in Vienna. **MODUS VIVENDI** is renowned for its luxury handmade knitwear and its special trademark process. Using premium Italian or Austrian fabrics and yarns, Womenswear & Menswear place, for 30 years, quality, sustainability and outstanding design at the centre of the collections. **MODUS VIVENDI**'s fashion let your inner self take control, it is your second skin, your other HOME.

DOLCE FAR NIENTE - SPRING SUMMER 24

Some people may confuse **DOLCE FAR NIENTE** with laziness - rather, this term describes the beauty of slowing down.

The current SS24 collection reflects Italian ease without compromising on elegance. It dictates no purpose or occasion and moves with the flow of the day: Cozy cuts appear in shimmering fabrics, skirts can be converted into tops and knitted jogging suits carry opulent patterns. As usual, the collection includes knit sweaters, this time adorned with subtle glittery threads, which blend into the basic mood of laid-back elegance.

MODUS VIVENDI feels very much at home in this Italian lifestyle - and not just since the current SS24 collection. The label has always produced in elaborate handwork, which makes the categorization into the term Slow Fashion more than justified. Regionality, quality and durability characterize the sustainable production style of **MODUS VIVENDI**.

It is sweet doing nothing, but nothingness, however, does not mean listless emptiness. It's about pausing, enjoying and attentive silence to not possibly pass by the remarkable unnoticed.
